

# Travel by helicopter

## ... with British International

What better way to start your holiday than a helicopter trip to your holiday destination.

The trip lasts 20 minutes, during which time the flight attendant will answer any questions you might have. The beginning of the journey provides passengers with a bird's eye view of Penzance, Newlyn, Mousehole, Porthcurno, and great Cornish landmarks like the Minack Theatre and the Long Ships Lighthouse. Lands End, the tip of the British Isles, then comes into view, and Cornwall is left behind as the pilot begins his descent to the beautiful archipelagos.

The helicopter service to the islands of St Mary's and Tresco provides travellers with a hassle free, efficient transfer from Cornwall; as well as the chance to get an exhilarating first-look aerial view of the stunning islands.

The service flies daily (except Sundays) from Penzance. After a quick and easy check-in process, a member of the cabin crew escorts passengers to the impressive Sikorsky S61 aircraft. Once onboard, passengers can choose where they sit; there are single seats on the left of the cabin, and double seats on the right. Large windows ensure everyone gets a great view.
